Dear Sir:

We take pleasure in replying
to your favor of Feb. 15th...

We carry the usual line of Ornamentals
& trees used in landscape work, but
as yet have not issued catalogues.

We are packing in a good many plants
this year, trying to extend our business.

We plant Camphor tree seed & the
Lig. Japonica seed which are available.

Below or with please find list of them.

Yours truly,
W. T. Palfrey
